

# BACKSEAT DRIVER CONTRACT

I, \_\_\_\_\_, do hereby swear to be quiet. Furthermore, I promise to remain silent, keep my lips sealed, bite my tongue, keep mum, cram it, stay schtum, hush up, belt up, button up, clam up, dummy up, and above all, to shut up — no matter what egregious act of poor driving I may think I see my driver performing in the front seat.

Signed \_\_\_\_\_ Date \_\_\_\_\_
